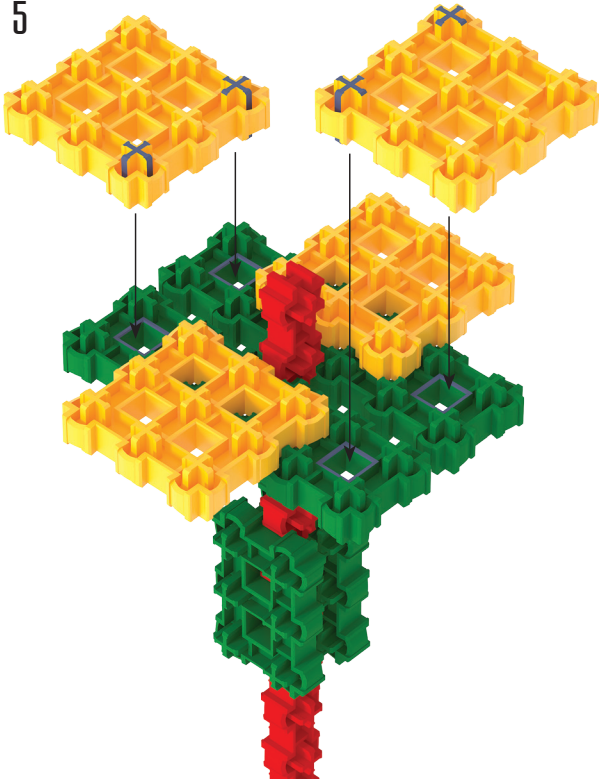

Diagram illustrating the assembly of a 2x2 grid of square units. The components are:

- 4 yellow square units (each with 4 tabs)
- 2 green horizontal bar units (each with 4 tabs)
- 4 green vertical bar units (each with 4 tabs)
- 2 red cross units (each with 4 tabs)

Diagram 4 shows the assembly of the yellow and green pieces onto the red structure. The yellow piece is shown being attached to the green piece, which is already connected to the red structure. The yellow piece is labeled with a circled '3'.
